About Us

Advancement in technology has changed our way of living from time to time. People nowadays are so engaged in multi-tasking whether it is attending calls while driving a car or listening to music during an exercise that they rarely recognize that once the so-called accessories have now become an essential part of the gadget. Outcomes of smart gadgets are relatively making life easier and living on our terms with enhanced security and convenience. These days, efficiency and functionality of the gadgets are increased with the intelligent accessories that reduce efforts and time of the customers and mark them as up-to-date smart users. These accessories offer accomplishment in the term of personalization and collection; one can renovate the items according to our choice, mood, lifestyle or occasion. Established in 1995, we, Callmate India Pvt. Ltd., are one of the tech-focused Manufacturer and Supplier of the smart gadgets and accessories. We exclusively deal in offering Mobile Accessories such as Mobile Data Cable, Mobile USB Data Cable, Car Accessories, Bluetooth Speaker, and Laptop Accessories. These accessories provided assure easy installation because they require no special tools for installation. It only takes few minutes to easily and properly install them on your own.

When it comes to Smart Gadgets and Accessories, it makes good sense to widen the conversation 10 years down the line towards sustainable growth in the IT and Communication Industry. The trajectory of the growth is shifted on the pressing aspects through a product portfolio that effectively cater to the customer requirements in future as well. From the broad premise of Smart Gadgets to Accessories, we, Callmate India Pvt. Ltd., a New Delhi, India based company; provide a range of products, specifically manufactured to meet the requirement of tech-savvy users. Our mobility-enhancing solutions are based upon precise and highly salient features such as durability, high efficiency, and low power consumption.
